

DISCOVERY CHILDREN'S CENTER IN STAR CITY

ANGELA RUSSELL, CENTER DIRECTOR

~SPOTLIGHT OF THE MONTH~

Discovery Children's Center children always light up the day with their smiles and interaction with their paraprofessionals in the classroom. Mrs. Alashanda Jackson, one of our paraprofessionals has been working in our nursery. We are proud to have one child in the nursery and she has done an awesome job with him. There are more children to come to our nursery. We celebrated Dr. Seuss in March and we must admit he is wearing his *One Thing hat* created by Mrs. Alashanda Jackson. On the right, Mrs. Alashanda had the preschoolers out of their seats, moving to the music using their gross motor skills. We are so proud to have Mrs. Alashanda as our paraprofessional and she is willing to work with any age group, when needed.
